Whether you are feeling encouraged, tired, joyful, or worn out in your role as a mother—Scripture has a word for you. The Bible has lots to say on how to live a godly life as a mom! [What Mothers Need](#)

As a mother, there can be tough days when you feel unnoticed. Be encouraged by the love of those around you and by God's own love for you.

[A Mother's Faith](#)

We may not always understand how God is working around us. In Matthew 15, we see that a mother's faith can lead the way to divine mercy.

[A Wise Woman](#)

The world pulls us in a thousand different directions. Proverbs 31 offers instruction on how to live as a wise mother and wife in the midst of it all.

[The Mother Love of God](#)

A mother's love for her children is tender and compassionate. Through Scripture, we can see that God loves us the same way.

[A Mother's Prayer](#)

A mother's influence affects her children's faith. One of the most powerful things a mother can do is to lift up her children to the Lord in prayer.

While being a mom is not always easy, it is one of the greatest blessings God can give. And to walk alongside your children as they grow requires faith, love, and wisdom that only God can provide. May God refresh, refocus, and renew you as you seek to be a mother and wife that glorifies him.
